on the recent U-2 loss would be in today for study. He asked for gu	idance
on financial problems since it meant laying off people at	
today and tomorrow. DCI believes he should go to	and 25X1
get a skeleton arrangement and have a minimum figure until a firm	decision
can be made.	

Bross reported on a meeting with the comptroller of DOD and he wants to see the DCI on this matter after he has spoken with General Carter.

Houston reported on Congressional reaction to the Director's briefing and noted that he has the transcript.

Chretien noted favorable remarks by Senator Russell regarding the Agency.

White noted that Rowley had asked the Agency for additional agents to assist them during the Inauguration ceremonies. He said he had additional passes which would permit vehicles to enter the downtown area on the 20th and was instructed to have the extra ones available in the Watch Office in case of an emergency. General Carter suggested that a special Agency vehicle be offered to Rowley.
